May Yard of the Month

Picking the yard for the month of May was a little harder this time because there were quite a few to choose from. We have chosen 2236 Mistletoe Avenue. This is the home of Roger Ross and Leslie Smith. You won't be able to miss this wall of climbing roses on the curve of Forest Park Boulevard. The many colors complement each other as well as the perfectly manicured lawn.

As you're driving to and from your daily routine, this yard is sure to make your day a little brighter.

Happy Planting,

Paschal High School Orchestra

I would like to take this opportunity to welcome, fellow Mistletoe Heights resident, Margo Hudson to the Paschal High School Orchestra for the 2004-2005 school year!

For the past few years, the Fort Worth Independent School District has had a tremendous growth in their music departments. Many more students are choosing a music elective, thanks to the incredible teachers at the elementary and middle schools. A result of their dedication and long hours is the huge incoming class at Paschal for the 2004/2005 school year.

Paschal Orchestra has been winning sweepstakes awards for several years in a row at UIL competition. This means that we have received a Division 1 rating on stage and sight-reading; all thanks to the incredible talents of our members and to the talent, dedication and leadership of Mr. Haberkamp.

The Paschal High School Orchestra performs private performances as a means of fund raising. Quartets, chamber orchestras and the full ensemble may be utilized. For information contact Mr. Earl Haberkamp (school phone 817 922-6600 or home phone 817 579-8293). Or you can contact Carrie Johnson at 817-926-9776 or 682-561-9776.

Of course, all donations are greatly appreciated. So, please keep us in mind when planning your next event and show your support for the orchestra and for the younger residents of our neighborhood!

Tips On Controlling Gardening Pests Without Insecticides.

Snails and Slugs: Encircle plant beds with 4-5 inch ring of sawdust. Slugs feasting on your tender plants? Fill a jar cap with beer, as the slugs love it and will perish. Green tomato gulping on your nice tomato plants? Try hunting them at night with a flashlight, and you can pick them off and smash with your foot. Birds love to feast on bugs, so keep a water supply for them and they will repay your kindness. Plants that are kept healthy with fertilizer and the correct amount of water are naturally resistant to insects.

Happy Gardening,

Letter from the President

Some things change and some stay the same. Kids still love to play in the park, but the playground equipment they use has been through a lot of changes. That's what several of your Mistletoe Heights neighbors learned when we met Mr. Randall Harwood from the City to discuss the funding of the improvements in Newby Park. It seems that there are not a lot of choices we get to make on how the money is spent, and we do have to wait our turn to get it. But the "Playscapes" that will eventually be installed are high tech, using the latest materials and designs to prevent injury to children on or near them.

This got me to thinking about my childhood, where a broken arm seemed as common as a loose tooth. Those were the days before bicycle helmets, child car seats didn't exist, and if you put on a seat belt you were in an airplane. I rode in the car as a small child standing in the front seat next to my mother, whose arm automatically reached out to hold me back as she came to a stop, this being the only restraint between me and a dashboard made of steel thicker than a Hummer's bumper.

What is considered irresponsible behavior today was the norm back then, but it's not that we're being overly protective. We have learned more, and realize that precautions are worth taking to preserve life, health and property, and even if we have to use some of that hard-earned money to do it, it's a wise investment.

So take a look around and see what needs to be done. Prune that dead tree branch, caulk that crack, and fasten that seat belt. It will be time well spent to insure that you and your house are around to enjoy the summer.

See you in the neighborhood,
Jeff Gibbons

New Mistletoe Heights Email Account

I have formed an email group for Mistletoe Heights on Yahoo! Groups. It is a free service that enables us to send one email that will reach the entire neighborhood. This is good for lost dogs, and last minute notices about upcoming events. It also is a place we can put reminders, or residents can meet and chat about anything. The website is <http://groups.yahoo.com/group/mistletoeheights/>. We can post pictures, like of the Easter egg hunt or 4th of July parade. Each person wanting to be part of the group needs to go to the website and sign up. **I request that no one use the group for solicitations or advertisements.** Let me hear from you if you think this is a good idea or not. My email is Lori@ftworthhomes.net and my phone is 817-923-4673.

Todd Edson's Park Place Dance Center

I would like to let our neighborhood know about a great dance center just down the street from us. Todd Edson was a neighbor of mine for the last 11 years over in Fairmount. Many of you may remember him from the cover of the Southwestern Bell telephone directory several years ago. He is a skilled and talented dancer. Now he has opened his own studio which is the home of the Bruce Wood Dance Company.

They rehearse during the day and the studio is open to the public for classes in the afternoon and evenings. My 7-year-old daughter, Madison, started ballet there in September. She loves it. Several girls from Berkeley also are in her class. I am so very impressed with the amazing talent and professionalism of teacher she has and the overall wonderful experience we have had at Todd's Dance Center.

I believe this will spark a life-long interest in ballet for my daughter. They offer classes in ballet, jazz, creative movement for 3-4 yr olds, and Pilates. Those are just the ones I know about, but I encourage all of you who are interested to contact Todd for a full schedule of classes. I do know that they will continue through the summer. The dance center is located at 1622 Park Place.

Thank You Mistletoe Heights

I just wanted to thank everyone who received the email about the flag corps yard sale/car wash fundraiser and stopped by. It was a huge success. Thank you for your support.

Also, thanks to Carolyn and Pete Fredriksson and Lottie Stout for their donations to the flag corp. We appreciate your kindness and generosity!

We went to San Antonio recently for the MA's National Competition. We had a great time and the girls did a superb job. Paschal's color guard (flag corp) placed 8th nationwide out of 30 some odd teams in the auxillary division.

My daughter Britanni's ensemble, consisting of Britanni Johnson, Valerie Smith and Michaela Black, placed 2nd nationwide. Her teammates' ensemble placed 3rd nationwide. Way to go girls! We are so proud of you.

Just think, these girls (the whole color guard) are going to be awesome next year! A big thank you goes to the director, Brandi Perkins, for her dedication and hard work! You did a wonderful job!

With great pride,
Carrie Johnson

Thank you, Mistletoe Heights!

Thanks to your ongoing support, I've sold 5 homes in the neighborhood within 6 months.

Where We Were A Century Ago

The year is 1904... what a difference a century makes.

The average life expectancy in the U.S. was 47.

Only 14% of the homes in the U.S. had a BATHTUB.

Only 8% of the homes had a TELEPHONE.

The maximum speed limit in most cities was 10 mph.

The tallest structure in the world was the Eiffel Tower.

The average wage in the U.S. was \$0.22/hour.

The average U.S. worker made between \$200-\$400/year.

A dentist, \$2,500/year; a veterinarian, between \$1,500-\$4,000/year; and a mechanical engineer about \$5,000/year.

Over 95% of all BIRTHS in the U.S. took place at HOME.

Most women only washed their HAIR once a month and used BORAX or EGG YOLKS for shampoo.

Canada passed a law prohibiting POOR people from entering the country for any reason.

The five leading causes of death in the U.S. were: pneumonia & influenza, tuberculosis, diarrhea, heart disease & stroke.

There was no Mother's Day or Father's Day.

Only 6% of all Americans had graduated from HIGH SCHOOL.

Coca Cola contained cocaine.

Marijuana, heroin and morphine were all available over the counter at corner drugstores. According to one pharmacist, "Heroin clears the complexion, gives buoyancy to the mind, regulates the stomach and the bowels, and is, in fact, a perfect guardian of health."
