President's

Get up and step outside as we continue our initiative to promote neighborhood unity. Now that garages are cleaned out due to the success of our garage sale, it's a great time to dust off that old bike. Ask your neighbor to take a ride with you. We live in a great area of Fort Worth with access to the Trinity Trails. Grab someone and go take a ride along the river.

"Imagination is more important than knowledge." "It takes a village to raise a child." "Be kind, for everyone you meet is fighting a harder battle than you may think." "Giving is better than receiving."

These are familiar adages we all probably heard as children. They were told to us to help us learn how to build lasting relationships. Most of us grew up with neighbors who would gladly lend a cup of milk or sugar if asked. Friends would often watch each other's children, no questions asked. If someone were grieving, injured or sick, neighbors would drop off food or flowers. This spirit of generosity is alive in our neighborhood and I would like to see it grow. My neighbor Rosaline is fantastic. She spent most of her Saturday helping me work on my old house. She and her husband, Steve, lent me the tools I needed. They saw a person in need and helped. Neighbors like that can't be bought.

Thank you Rosaline and Steve for teaching me about community. If you have a similar story, please tell us about it by emailing newsletter@mistletoeheights.org.

Corner

I notice as I get older and begin to create a family of my own, how these traditions of community and friendship are the basis of a happy, healthy life. I have friends that own homes and don't know their neighbors' names. I know people that keep a running tally on how many things they have done for their neighbors. That sort of attitude toward others does not foster a positive relationship. By giving, sharing, and genuinely caring about those around us, we receive the same from others. We become something greater than an individual household or family. We become part of a community and it is in communities that we find happiness.

We are working hard to set up a lot of events to allow you to grab your neighbor and get together. The Mistletoe Heights Grand Opening of the Forest Park Pool Mixer with our Berkeley and Park Hill neighbors is this month. Information about this event can be found on page 8 of the newsletter. Please take part in our outdoor movie night on May 17. Login to our facebook chat room and make suggestions for which movie we should watch. Volunteer to bring a popcorn machine or other snacks. There are numerous fun events to keep you close to home. Come by and tell me what we can do to make our neighborhood better. I want to know what's important to you.

Another Egg-cellent Mistletoe Heights Egg Hunt

The Mistletoe Heights Easter Egg Hunt on March 30 was a huge success. Each year the hunt seems to get bigger and bigger, and this year was no exception. We collected eggs from 108 children from sixty-one different families. That is a lot of eggs! Parents, grandparents, and friends had fun watching the children quickly gather up all the eggs scattered around Newby Park. Mother Nature cooperated beautifully giving us a rain-free day that was warm but not so hot that the chocolates melted. After the egg hunt the Easter Bunny drove up in her convertible and stopped for pictures. She seemed to have an extra hop in her step this year, perhaps because of the cute new bow she was wearing. Everyone enjoyed seeing their neighbors and stayed to chat a while over bagels, juice, and coffee.

A big THANK YOU to Betsy and Mary Ann Shelton who arranged for the Easter Bunny appearance and to Kelley Reece who helped set up the park. Also, special thanks to Anne Schuster, River Reece, and Mia Pressley who were great helpers and to Jim Peipert for taking some wonderful pictures. You can see pictures from Jim and other neighbors on our neighborhood Facebook page: <https://www.facebook.com/groups/mhneighbors/photos/>

Egg-cellent Con't

Welcome to Mistletoe Heights, New Neighbors!

Over the last month, we were busy delivering four welcome baskets to new neighbors on Buck, Harrison, and Mistletoe Drive! Meet one of these new neighbors. . . .

Mark and Susie Mitchell recently moved from San Antonio. After spending a few months looking at homes and neighborhoods in Fort Worth, they had a good feeling about our Mistletoe neighborhood and kept returning to the area until they found their house at 1410 Mistletoe Drive.

They made the move for Mark's position as an executive and attorney for a biotech company based here in Fort Worth. Susie works on projects from home and spends time on her photography, and enjoying their seven-year old Airedale Terrier named Reinzi. They have four children: John is an instructor with the United States Air Force at Travis AFB in Northern California, Taylor a Junior (Ocean Engineering) at Texas A&M, Chloe lives/works and attends Incarnate Word in San Antonio, and Connor is a Freshman (Mechanical Engineering) at A&M.

Their family enjoys skiing, golfing, and the outdoors in general, and according to Susie, they "look forward to spending time getting to know our neighbors!"

As a community, we continue to attract the great new neighbors and we would love to welcome each and every one! While the realtors in our midst are great resources for new homeowners in our neighborhood, everyone is encouraged to be our eyes and ears, letting us know when there are new folks down the street. Please email either Alex Rodman (alrodman@yahoo.com) or Beth Krugler (beth@bethkrugler.com) and they'll make sure a welcome basket is delivered!

While we recognize we haven't always known who was new and who was not, at this point, we're suggesting you let us know of folks who moved into the neighborhood no longer ago than May 2012. And sorry to those of you who we may have inadvertently missed—but please know we're absolutely happy you're here as well—welcome!

The Yard of the Month

1134 Buck Street

The Yard of Month for May is a past winner from seven or eight years ago—Ellen Rubinson of 1134 Buck St. She has been living in her house for nineteen years and is a Fort Worth native. She is currently working in Sales at Neiman Marcus (jewelry designer) in the Ridgemar Square Mall. Ellen loves this neighborhood; not for the unique houses or the well-maintained yards, but for the people that make up the neighborhood. Ellen enjoys walking through the neighborhood and spending time in her yard, particularly in the cooler spring weather before it gets too hot. In the summer she enjoys the view of her yard. Ellen has a very clean and simple yard consisting of crape myrtles, azaleas, Indian Hawthorns, daylilies, and Turks caps, which should be in full bloom by the time you're reading this article. If you see Ellen out in her yard be sure to stop and say hi.

New Advertising Submission Process

All ads must be paid for by the fifth of the previous month the ad will appear in. Artwork for all ads must be submitted by the tenth of the month prior. Artwork should be emailed to: advertise@mistletoeheights.org. Should you have any questions, please call the newsletter editor, Stefanie Ball Piwetz, at 817.201.1909.

We Need Your Help!

The neighborhood association is in need of volunteers!

We need a **Historic Preservation Committee** (three to five volunteers)! This committee now has a chair—Roger Ross! Roger has graciously volunteered to head up this group. He needs a few volunteers to sit on the committee. Please contact him or Kyle if you are interested. Roger Ross 817.372.6865, rogandles@charter.net.

We need someone to take over as the **advertising representative** for the newsletter. Kelley Reece has kindly volunteered his time for over six years. Someone with advertising experience would be ideal, but we really just need someone who can keep track of what ads need to go in what issue.

We need a **web editor**! The association is looking for someone to manage the content on our current website. This person will work closely with the MHA officers and Scott Ewing.

If you'd like more information, contact Kyle Jensen at 940.367.1428 or president@mistletoeheights.org.

Neighborhood Tree Planting Program

The City provides free trees in the spring and fall. Mike Danella of Irwin Street has been coordinating this program with the city for the past two years. So far more than twenty-five trees have been planted in the neighborhood. If you would like a tree, please email Mike with your choice, along with your name and address, to ny44mad@yahoo.com. He will compile a list for the neighborhood and submit it to the city. He will arrange delivery of the trees to individual homes. The city will mark the locations of the trees to be planted and will provide a pamphlet with instructions for planting and care.

From the city's website (fortworthtexas.gov/forestry/info):
 "The Neighborhood Tree Planting Program is a great way to add value to your home and neighborhood. Once a neighborhood group signs up, the NTPP provides up to two free five gallon trees per resident for planting in the street parkway (the area between the curb and the sidewalk). In addition to increasing property values by up to twenty percent, studies have shown that trees can reduce crime rates, slow the speed of traffic on residential streets, dampen noise, reduce stress and promote a feeling of wellness."

Trees available:

- | | | |
|-------------|----------------|----------------|
| Baldcypress | Desert Willow | Live Oak |
| Mexican Oak | Eastern Redbud | Shumard Oak |
| Bur Oak | Cedar Elm | Chinquapin Oak |
